The Young & the Reckless

2018 ANNUAL SCIENTIFIC MEETING

New Zealand and Australian Associations of Musculoskeletal Medicine

Addressing Musculoskeletal Issues in the Young
All health professionals welcome

4-7 October, Heritage Hotel, Auckland.

CONVENOR'S WELCOME

On behalf of the New Zealand Association of Musculoskeletal Medicine, it is my pleasure to invite and welcome you to the 2018 Scientific Meeting titled: "The Young and the Reckless-Musculoskeletal Issues in the Young" held in conjunction with the Australasian Faculty of Musculoskeletal Medicine and the Australian Association of Musculoskeletal Medicine.

Our 2016 conference in Christchurch dealt with "Busted Boomers, Musculoskeletal Issues in the Muscle in the Older Adult" and this year in Auckland, we are sure you will enjoy a focus on the other end of the life course with this year's theme.

We have gathered speakers from across the spectrum from sports physicians to exercise and developmental scientists and clinicians dealing with all areas of youth health, disability and pain. There will be something for everyone who deals with the young whether it be often or occasionally. There will be emerging scientific information as well as practical sessions.

We have been extremely fortunate in attracting keynote speakers Carolyn Broderick, staff specialist at The Children's Hospital in Westmead, Sydney and Patria Hume AUT professor of Human Performance along with many of our own musculoskeletal, surgical, paediatric and pain colleagues. Sir Peter Gluckman, paediatric researcher and chief science advisor to the Prime Minister has also agreed to contribute to our thinking about developmental issues.

For you, the delegate, we hope that you will leave this conference well informed and have an enjoyable social and networking experience with colleagues from all disciplines. You are most welcome to join us for the pre-conference social outing on October 3rd. The AFMM retreat on 4th October is open to all conference attendees. Numbers are limited for both these days though, so ensure you register early for these events.

Dr Jenny Keightley
NZAMM Past President, Treasurer & Conference Convenor

Conference Objectives:

- To be stimulated, challenged and learn evidence based and clinical skills to use with your younger patients.
- Understand how developmental issues can affect later musculoskeletal function and how to intervene early.
- Get insight on how to manage paediatric pain from Ross Drake and the Pain Team at Starship Hospital.
- Take part in practical workshops of your choice

Conference Committee:

Convenor - Dr Jenny Keightley,
Dr Gary Collinson and Dr Stu Thomson

Who would benefit from this meeting?

This meeting will appeal to a wide variety of medical and allied health practitioners, including musculoskeletal physicians, general practitioners, pain physicians, ACC branch medical advisors, occupational physicians, rehabilitation physicians, sports physicians, rheumatologists, orthopaedic surgeons and allied health professionals such as physiotherapists, clinical nurse specialists, podiatrists, occupational therapists and manual therapists. The Meeting will also be of interest to researchers and those in bioscience.

SPONSORS

NZAMM acknowledge the generosity of the Rose Hellaby Medical Scholarship Trust and the conference organisers thank the Board of Governors for their support with this Scientific Meeting.

Te Kaporeihana Awhina Hunza Whara

ACC provides New Zealanders with comprehensive, no-fault personal injury cover. We work closely with businesses and the community, to try to prevent injuries from happening and to make New Zealand a safer place. But when injuries do happen, we're here to help.

We manage injury claims, coordinate services and work closely with health professionals to help get people back to living their life as quickly as possible.

For more information about ACC, please visit www.acc.co.nz.

KEYNOTE SPEAKERS

Sir Peter Gluckman

KNZM FRSNZ FMedSci FRS

Sir Peter Gluckman is a Professor at Auckland University Medical School, a paediatric endocrinology researcher and until 30th June 2018, Chief Science Advisor to the Prime Minister of New Zealand. Sir Peter's medical career has been largely in research and leadership. He spent 4 years as an Assistant Professor at the University of California in San Francisco and from 1991 Sir Peter was appointed Dean of the Faculty of Medicine and Health Sciences at the University of Auckland while continuing to lead an active research group of more than 60 people focused on developmental endocrinology and neuroscience. His special research interests are in the developmental origins of health and disease, epigenetics, the public understanding of science, evolutionary medicine and in the interface between human and pastoral animal biology.

Carolyn Broderick

MBBS FACSP PhD

Dr Carolyn Broderick is a senior lecturer in The School of Medical Sciences and a staff specialist in sport and exercise medicine at The Children's Hospital at Westmead, Sydney. Her research expertise is in the area of exercise prescription and assessment of physical activity in special paediatric populations. This has included increasing the physical activity and quality of life for children with a diverse range of serious diseases including haemophilia, cancer, diabetes, juvenile idiopathic arthritis and metabolic myopathies. Her other key research focus is in the area of musculoskeletal disease in children and adolescents.

KEYNOTE SPEAKERS

Patria Hume

BSc MSc (Hons) PhD

As AUT Professor of Human Performance, Patria is a leading expert on sports injury prevention, sports performance and biomechanics. She is a Fellow of the International Society of Biomechanics in Sports and gained the prestigious ISBS Geoffrey Dyson Award for her world contributions as a sports biomechanist in 2016. Patria is an editorial board member for journals *Sports Medicine* and *Sports Medicine Open*, and reviews for numerous journals including *Sports Biomechanics*, *British Journal of Sports Medicine*, *British Medical Journal*, *Physical Therapy in Sport*, and *American Journal of Sports Medicine*. During an ACC funded post-doctoral fellowship (1994-1996), Patria developed the 10-point plan for injury prevention (now known as SportSmart) which has subsequently been adapted for many sports nationally and internationally. Patria has been the lead researcher on projects for World Rugby on player health and protective equipment, for ACC on sport injury prevention, and for international and national sports organisations on sport performance and injury reduction including the Sydney 2000 anthropometry rowing and kayaking project. Prior to her career as an academic Patria was a world-class rhythmic gymnast and coach. She represented New Zealand for six years and then coached gymnasts who competed at Olympics and won medals at the 1990 Commonwealth Games.

Steve Bentley, Musculoskeletal Physician Te Anau, Fiordland

*MBChB. Dip Obst. Dip MSM. Dip Sport
Medicine (London). FAFMM*

Steve graduated from Otago University Medical School in 1974 and undertook post graduate training in the UK, including Sports Medicine. He was heavily involved with Otago Rugby, Highlanders and Otago NPC team as doctor for 5 years and was involved with many elite NZ National athletes. He became a Fellow of the Australasian Faculty of Musculoskeletal Medicine (FAFMM) in 2000 and has been a Vocational Registered Specialist Musculoskeletal Medicine since then, working full time providing

All health professionals welcome

4-7 October, Heritage Hotel, Auckland.

KEYNOTE SPEAKERS

specialist musculoskeletal services to patients of all ages in the lower South Island, including full clinical and radiological assessment, a wide range of treatments, manual therapy and comprehensive rehabilitation.

Since 2004 Steve has studied and completed post graduate rehabilitation courses to advanced level under Prof Pavel Kolar, Rehabilitation Unit, Charles University Prague, Czech Republic. This training is based on the work of Professors Vaclav Vojta, Vladimir Janda, Karel Lewit and Pavel Kolar since the 1950s. It includes a focus on genetically programmed motor patterns (Developmental Kinesiology), identification of abnormal motor patterns, restoring dynamic neuromuscular stability (DNS) and correcting motor patterns using Reflex Locomotor Stimulation.

Steve has competed in various sports including; tennis (represented Wellington, Poverty Bay and Otago), badminton and mountain running.

Ross Drake

BSC, MBChB, FRACP, FChPM, FFPMANZCA

Ross is a Paediatrician and Paediatric Palliative Care and Pain Medicine Specialist at Starship Child Health in Auckland. He leads both the Paediatric Palliative Care and Complex Pain Services at Starship as well as being the Clinical Lead of the Paediatric Palliative Care National Clinical Network.

In his Fellowship training Ross spent time with the Symptom Control Team at Great Ormond Street Hospital in London and the Pain and Palliative Care Service at the Children's Hospital at Westmead in Sydney where part of his fellowship was devoted to the psychological management of chronic pain in children.

Ross is always working toward improving the recognition of the needs for children requiring palliative care and children in chronic pain. He hopes increased recognition will see a boost in resourcing to enable equitable service delivery around New Zealand and see funding rise from its current appalling level.

KEYNOTE SPEAKERS

Lucy Holtzhausen

PG Dip MSM (Otago) M Pain (Newcastle) FAFMM

Lucy graduated from the University of Witwatersrand Medical School in 1987 and completed a two year postgraduate Honours degree in Sports Medicine at the University of Cape Town in 1992. She undertook research into the management of collapsed ultra-endurance athletes and the provision of best-care emergency medical practice at ultra-endurance athletic events whilst lecturing in the Departments of Anatomy and Physiology, Cape Town University between 1990 and 1999. Lucy immigrated to New Zealand in 2000 with her husband and two children. She completed with distinction her qualifications in Musculoskeletal Medicine and Pain and then completed her Fellowship training and has practiced as a Musculoskeletal and Sports Medicine Specialist in Auckland over the past 10 years. She was race medical director for the NZ Ironman triathlon event from 2003 to 2013. She also lectures part-time in the Department of Musculoskeletal Medicine, Otago University. She has an interest in managing patients with general joint hypermobility (Ehlers-Danlos Syndrome type III).

Quentin Reeves

*Diagnostic Radiologist
MBChB 1984 Auckland, FRANZCR 1991*

Quentin is a Musculoskeletal Radiologist at both SRG and Auckland City Hospital. After completing the Radiology programme at Auckland, Quentin received his subspecialty training in MRI and musculoskeletal radiology at UCLA. He subsequently worked in Sydney in private practice and at Prince of Wales Hospital. He has a particular interest in MRI, musculoskeletal ultrasound and spinal procedures. Quentin is well respected within the medical community, with career highlights including working as a Radiologist at the 2000 Sydney Olympic Games.

2018 ANNUAL SCIENTIFIC MEETING

New Zealand and Australian Associations of Musculoskeletal Medicine

Addressing Musculoskeletal Issues in the Young
All health professionals welcome

4-7 October, Heritage Hotel, Auckland.

Wednesday 3 October

1000 to 1600 Optional Pre-conference tour to Waiheke Island
Refer social programme for details

Thursday 4 October

0800 Registration

0900 to 1700 AFMM/ NZAMM Faculty Retreat
- Imaging and management of spinal pain
Open to all delegates - maximum 50

1300 to 1700 Exhibition Set up

1900 to 2000 Welcome Drinks

Friday 5 October

0815 to 1045 Plenary 1 - **Preparing for a good life 1**

0815 to 0830 Welcome - NZAMM, AAMM, AFMM

0830 to 0915 Early life influences on musculoskeletal development
- *Sir Peter Gluckman*

0915 to 1000 Exercise testing in children
- *Carolyn Broderick*

1000 to 1045 Sports related concussion research and practice update
- *Patria Hume*

1045 to 1115 Morning tea and Exhibition

1115 to 1245 Plenary 2 - **Preparing for a good life 2**

1115 to 1200 The genetically programmed human locomotor system
- *Steve Bentley*

1200 to 1245 The hypermobility spectrum disorders (a.k.a. The Ehlers-Danlos Syndromes)
- *Lucy Holtzhausen*

1245 to 1330 Lunch and Exhibition

1330 to 1500 Concurrent Sessions - Workshops

1330 to 1500 **1A** Assessment and rehabilitation - developmental kinesiology and dynamic neuromuscular stabilisation (Limit 30)
- *Steve Bentley*

1330 to 1500 **1B** Ultrasound at point of care - a taste and practice (Limit 16)
- *Stu Thomson*

1330 to 1500 **1C** Preventing musculoskeletal injuries in pre and post adolescence
- *Carolyn Broderick*

1330 to 1500 **1D** Sports related Concussion - Cases and Management
- *Patria Hume and ACC*

1500 to 1530 Afternoon Tea and Exhibition

1530 to 1700 Plenary 3
- **Ensuring a good life - timely intervention**

1530 to 1610 Developmental dysplasia of the hip: preventing and managing disability
- *Sue Stott*

1610 to 1650 Imaging modalities in developmental radiology
- *Quentin Reeves*

1650 to 1730 Optimising bone health
- *Susannah O'Sullivan*

1930 AGM NZAMM, AGM AAMM if required
Social Options - *TBC*

The Young & the Reckless

2018 ANNUAL SCIENTIFIC MEETING

New Zealand and Australian Associations of Musculoskeletal Medicine

Addressing Musculoskeletal Issues in the Young
All health professionals welcome

4-7 October, Heritage Hotel, Auckland.

PROGRAMME

Saturday 6th October

- 0830 to 1045 **Plenary 4 - Sport Exercise and Injury**
- 0830 to 0920 Common sporting injuries in adolescence and young adult - an orthopaedic perspective
- *Stu Walsh*
- 0920 to 1010 Exercise and sport in pre-adolescence. The benefits and pitfalls - A sports and exercise perspective
- *Carolyn Broderick*
- 1010 to 1045 The science of kinanthropometry - contribution to youth sport performance and injury prevention
- *Patria Hume*
- 1045 to 1115 **Morning tea and Exhibition**
- 1115 to 1300 **Plenary 5 - Paediatric Musculoskeletal**
- 1115 to 1155 A musculoskeletal approach to common paediatric problems
- *Steve Bentley*
- 1155 to 1235 Scoliosis, indications for surgery
- *John Fergusson*
- 1235 to 1245 Panel
- 1245 to 1330 **Lunch and Exhibition**
- 1330 to 1500 **Concurrent Sessions - Workshops**
- 1330 to 1500 **2A** The clumsy child – diagnosing and treating development co-ordination disorder
- *Paediatric Physiotherapist*
- 1330 to 1500 **2B** General joint hypermobility and the Ehlers-Danlos syndromes - all you ever wanted to know. Repeated Sunday 7th
- *Lucy Holtzhausen and Gary Collinson*
- 1330 to 1500 **2C** Practical prolotherapy options 1. Useful office procedures (Limit 30)
- *Margaret Taylor*
- 1330 to 1500 **2D** Radiology- reading images
- *Quentin Reeves SRG*
- 1500 to 1530 **Afternoon Tea and Exhibition**

- 1530 to 1700 **Plenary 5 - Paediatric Rheumatology**
- 1530 to 1610 Juvenile arthritis: when to refer
- *Rheumatologist*
- 1610 to 1650 Ankylosing spondylitis: an update
- *Rheumatologist or other*
- 1650 to 1730 Pharmacology: use of NSAID's in the young
- *Olly Zekry*
- 1900 till late **Social Evening**
- **Conference dinner in the grand tearoom (last chance to experience the heritage)**

Sunday 7th October

- 0900 to 1030 **Plenary 6 - Paediatric Pain**
- 0900 to 0930 The assessment and management of CRPS and other chronic pain issues in adolescents
- *Ross Drake*
- 0930 to 1000 The Sydney Childrens Hospital approach
- *Carolyn Broderick TBC*
- 1000 to 1030 ACT for children
- *TBC*
- 1030 to 1100 **Morning tea and Exhibition**
- 1100 to 1230 **Concurrent Sessions - Workshops**
- 1100 to 1230 **3A** Repeat - Assessment and rehabilitation - developmental kinesiology and dynamic neuromuscular stabilisation (Limit 30)
- *Steve Bentley*
- 1100 to 1230 **3B** Practical prolotherapy options 2 - more complex prolotherapy for spine and pelvis (Limit 30)
- *Margaret Taylor*
- 1100 to 1230 **3C** Repeat - General joint hypermobility and the Ehlers-Danlos syndromes - all you ever wanted to know.
- *Lucy Holtzhausen and Gary Collinson and*
- 1100 to 1230 **3D** Making the interdisciplinary team work for childhood pain
- *Ross Drake and Team*
- 1230 to 1300 **Plenary Conference Closing**
- 1300 to 1400 **Conference Close**
Lunch and Exhibition

*This programme may be subject to change.
Please refer to the Disclaimer under Registration Information.*

2018 ANNUAL SCIENTIFIC MEETING

New Zealand and Australian Associations of Musculoskeletal Medicine

Addressing Musculoskeletal Issues in the Young
All health professionals welcome

4-7 October, Heritage Hotel, Auckland.

SOCIAL PROGRAMME

WEDNESDAY 03 OCTOBER 2018
OPTIONAL PRE CONFERENCE TOUR -
Waiheke Island 10am to 4pm

\$150.00 per person

- 1000** Ex Auckland – Waiheke Fullers ferry
- 1040** Arrive at Matiatia, transfer to charter coach, depart for Mudbrick
- 1100** Arrive at Mudbrick for tour & tasting
- 1145** Depart Mudbrick for Rangihoua Olive Estate
- 1215** Arrive at Rangihoua Estate for tour & tastings
- 1300** Depart Rangihoua Olive Estate for Batch Winery via Onetangi scenic
- 1330** Arrive at Batch Winery for tour & tasting and light quiche & salad lunch
- 1430** Depart Batch Winery for Stonyridge
- 1445** Arrive at Stonyridge for tour & tastings
- 1530** Depart Stonyridge for Matiatia ferry terminal
- 1600** Ex Waiheke – Auckland Fullers ferry

WELCOME COCKTAIL PARTY Thursday 4th October, 7.00pm
Welcome function will be held at Heritage Auckland.

CONFERENCE DINNER Friday 5th October, 7.00pm
Conference Dinner will be held at the Tearooms, Heritage Auckland.

Please indicate your attendance by ticking the appropriate boxes on the registration form.

REGISTRATION INFORMATION

REGISTRATION DESK HOURS:

- Thursday 4th October ~ 5.00pm – 7.00pm
- Friday 5th October ~ 8.00am – 5.00pm
- Saturday 6th October ~ 8.00am – 5.00pm
- Sunday 7th October ~ 8.00am – 1.00pm

Full delegates are required to register on Thursday 4th October during the welcome cocktail function or Friday 5th October from 8am. Day registrations are required to register on the morning of the first day of their attendance. Upon registration delegates will be issued with their registration pack including delegate satchel, program handbook, and name badge.

HOW TO REGISTER FOR THE CONFERENCE

Visit the registration page and follow the prompts to complete the registration details as requested. We suggest that you print a copy of your registration prior to submission. Please note it is essential for all delegates to send a completed registration form together with payment of registration fees. All prices include GST.

Please note: Payment by credit card will show as SP Conference Management on your statement. Please refer to the included registration form for a full breakdown on fees. Full Registrations include entry to all sessions, satchel and contents, morning and afternoon teas, lunches, Welcome Function and Conference Dinner. Weekend and Day Registration, as above, for the day of attendance, does not include the Welcome Function or the Conference Dinner.

Registration and Payment (all fees in NZ \$)

Payment of fees in full MUST accompany all registration forms. No registration will be confirmed until payment is received. Payment can be made by credit card or direct credit. Each delegate must make a separate application. Confirmation will not be processed until payment is received. A GST invoice will ONLY be produced once the registration form and payment, or a Purchase Order has been received. Alternatively, retain a copy of the registration form, once submitted with payment, which will act as a valid Tax Invoice for GST purposes.

Confirmation & Receipt

The secretariat will email a confirmation letter acknowledging your registration, accommodation booking and payment. If you do not receive an emailed acknowledgement within one week of sending the form, contact the Secretariat. Please check your confirmation letter carefully and notify the Secretariat immediately of any changes required.

Cancellation of Registration

Cancellations received in writing prior to Thursday 6th September 2018 will receive a refund of fees, less an administrative fee of \$110. No refund will be issued after this date. Substitute delegates are welcome, please advise the name of the new delegate so name badges can be amended. Any changes to or cancellation of registrations must be in writing and emailed to the Secretariat.

AUCKLAND ACTIVITIES

There are plenty of activities to do in Auckland, just visit <https://www.aucklandnz.com> for information.

The Young & the Reckless

2018 ANNUAL SCIENTIFIC MEETING

New Zealand and Australian Associations of Musculoskeletal Medicine

Addressing Musculoskeletal Issues in the Young
All health professionals welcome

4-7 October, Heritage Hotel, Auckland.

ACCOMMODATION

Reservations have been made at Heritage Hotel Auckland and accommodation bookings for the following rates can only be booked through SP Conference Management. To secure your booking you are required to pay your accommodation in full at the time of registration. Accommodation cannot be guaranteed after 31st August 2018. Rates quoted are per night per room. They include GST and do not include Breakfast. Those preferring other accommodation choices please visit www.wotif.com to make your own choice and booking.

Cancellations

No accommodation deposits will be refunded after 30th September 2018. Rooms cancelled after this date will be charged a cancellation fee equal to one night's accommodation by the hotel.

Early and Late Arrival

Check in is from 1400 hrs. Whilst the hotel will do everything possible to accommodate early arrivals, if you wish to be guaranteed immediate access to your room, you will need to pay an extra day's tariff for the night before. Please indicate your expected time of arrival as failure to do so might mean your room could be released.

GENERAL INFORMATION

Transfers

Taxi's Shuttles & Buses can be pre-booked on line at <https://www.aucklandairport.co.nz/transport>.

Conference Inclusions

Full registration is inclusive of morning and afternoon teas, lunches, and all evening functions, satchel & handbook. Day registration includes morning and afternoon teas, lunches, satchel and handbook on the day of registration.

Dietary and Mobility needs

Should you require any special assistance, catering or transport arrangements to be made on your behalf, please include a notation on your registration form.

Name Badges & Tickets

Name badges and delegate bags will be provided at registration. Admission to all sessions, morning and afternoon teas, lunches and evening functions is by name badge only. You will be provided with a ticket for the conference dinner to hand in on entry.

Parking

Heritage Hotel Valet Parking is \$45 per day, spaces are limited and subject to availability.

Privacy

Please complete the section of the registration form relating to privacy if you do not wish your personal information to be included in the published Participant List, which will be circulated to all delegates and exhibitors at the meeting.

Disclaimer

Every effort has been made to present as accurately as possible, all the information contained in this brochure. NZ Association of Musculoskeletal Medicine, SP Conference Management, its Agents or Servants or the Sponsors will not be held responsible for any changes in the structure or content of the program and any general or specific information published in this brochure.
